

Name: _____ Date: _____

Use the poem to complete the table

30 days hath September, April, June and November,
All the rest have 31, except in February alone,
Which has 28 days clear, and 29 in each Leap Year.

Month	Number of Days
January	
February (normal year)	
February (Leap Year)	
March	
April	
May	
June	
July	
August	
September	
October	
November	
December	

How often does a Leap Year come around? _____
