

Prime numbers

Answer sheet

Write the numbers 1–24 in the correct place on the Venn diagram

Circle all the prime numbers in each set

1.

41	40	39	43	46	47	50
----	----	----	----	----	----	----

2.

82	83	78	79	85	87	89
----	----	----	----	----	----	----

For each of these numbers, write a '✓' or '✗' in the box if it is a prime number or not. Explain your answer.

3. 56

✗

Any valid factors, eg 7×8

4. 97

✓

The only factors are 1 and 97
