

Comparing heights and masses

Use the measurements to answer the questions below

Answer sheet

Child	Height in cm	Mass in kg
 Harper	120	22.5
 Scott	125	23
 Tilly	116	21
 Patrick	127	23.5
 Adrian	124	22

Which child weighs the least? Tilly

What is the total height of Scott and Adrian added together? $125 + 124 = 249\text{cm}$

Which two children weigh more than Harper? Scott and Patrick

Who is tallest of the children? Patrick

Write the children in order of their masses, from the **lightest** to **heaviest**.

Tilly, Adrian, Harper, Scott, Patrick
