

Name: _____ Date: _____

Complete each **pair** of multiplication calculations

$$4 \times \square = 8$$
$$\square \times \square = 8$$

$$2 \times \square = 12$$
$$\square \times \square = 12$$

$$5 \times \square = 20$$
$$\square \times \square = 20$$

$$3 \times \square = 18$$
$$\square \times \square = 18$$

$$1 \times \square = 7$$
$$\square \times \square = 7$$

$$11 \times \square = 22$$
$$\square \times \square = 22$$

$$8 \times \square = 56$$
$$\square \times \square = 56$$

$$7 \times \square = 35$$
$$\square \times \square = 35$$

$$5 \times \square = 50$$
$$\square \times \square = 50$$

$$4 \times \square = 36$$
$$\square \times \square = 36$$

$$6 \times \square = 24$$
$$\square \times \square = 24$$

$$9 \times \square = 63$$
$$\square \times \square = 63$$
