

Name: _____ Date: _____

Using data from a bar chart

The bar chart shows the number of visitors to a zoo one Saturday in August 2024, compared with the same date in 2023, and where in the zoo they visited.

Area of the zoo	Number of visitors in 2023		Number of visitors in 2024	
	Adults	Children	Adults	Children
Penguin Pool				
Elephant House				
Big Cat Park				
Monkey Jungle				
Reptile World				
Meerkat Den				

1. Use the information in the **bar chart** to complete the table.
