

Using data from a bar chart

Answer sheet

The bar chart shows the number of visitors to a zoo one Saturday in August 2024, compared with the same date in 2023, and where in the zoo they visited.

Area of the zoo	Number of visitors in 2023		Number of visitors in 2024	
	Adults	Children	Adults	Children
Penguin Pool	55	40	45	80
Elephant House	110	60	45	145
Big Cat Park	110	120	95	85
Monkey Jungle	90	145	115	130
Reptile World	60	30	80	30
Meerkat Den	75	145	90	160
