

# Fractions, decimals and percentages

A percentage, or %, means 'in every hundred'.

## Answer sheet

1. Draw lines to match the equal fractions, decimals and percentages.

2. Fill in the table with fractions, decimals and percentages that are equal.

Fraction	Percentage	Decimal
$\frac{30}{100}$	30%	0.3
$\frac{50}{100}$	50%	0.5
$\frac{100}{100}$	100%	1
$\frac{80}{100}$	80%	0.8
